

# P2

Pocket  
Massage  
Gun

**Relax-on-the-go**

**Tough Rubber Jacket  
on Aluminium  
Alloy Body**

**Ultralight and  
Incredibly  
Powerful**

**Full Metal  
Movement**

**ELEELS**

## Features:

- High-torque and high-speed **38 mm brushless motor** (delivers up to 50 strokes per second)
- **Tough rubber jacket** for a no-slip grip
- Durable and lightweight with **aluminium alloy body** inside (360 grams)
- FOUR speed settings and FOUR applicators to fit a wide range of therapeutic and relaxation needs
- Rechargeable lithium-ion battery with **7.4V output voltage** (up to 6 hours of use per charge)

## Benefits:

- Delivers extraordinary benefits for speedy muscle recovery and everyday relaxation anytime, anywhere
- Encourages blood circulation and reduces lactic acid level
- Relieves muscle tension, stiffness and alleviates muscle soreness and pain
- Prevents muscle damage, and increases strength and flexibility
- Enhances sports performance, and prevents DOMS

## Specifications:

- Color: black
- Net Weight: 360 grams
- Gross Weight: 620 grams
- Size: 13.6 x 7 x 4.2 cm
- Rated Power: 30W
- Amplitude: 6 mm
- Input Voltage: DC 5V/1A
- Battery: 7.4V Lithium-ion Battery
- Battery Life: 4-6 hours of use per charge
- Charging Time: about 3 hours
- Vibration Frequency:
  - 1800 rpm, 30 Hz
  - 2200 rpm, 37 Hz
  - 2600 rpm, 43 Hz
  - 3000 rpm, 50 Hz
- Charging: USB Type-C
